

Safecall Privacy Policy

Safecall Limited knows that you will want to understand how we use the information we automatically collect about you on our website www.safecall.co.uk. This notice describes our Privacy Policy.

Collection of Information

Safecall Limited holds and stores certain information about you. For example, it holds information related to your visit to this site such as which pages you visit, how often you visit and information you specifically provide to enable you to receive a particular service.

Use of Information Collected

We will only use the information you provide us for:

- For statistical purposes to improve this Website and its services to you;
- To supply website content and advertisements;
- To administer this website;

You agree that you do not object to us contacting you for any of the above purposes whether by telephone, e-mail or in writing and you confirm that you do not and will not consider any of the above as being a breach of any of your rights under the Privacy and Electronic Communications (EC Directive) Regulations 2003.

Non-personal data may also be used and stored with other persons.
We do not sell or transfer any personal information outside Safecall Limited.

Data Protection

Safecall Limited has adopted a policy of compliance with the data protection laws of the United Kingdom and takes every care to prevent any unauthorised access to your personal data.

If you want to know exactly what information Safecall Limited holds on you following your searching this site, you can obtain it by requesting a Subject Access Request Form from Safecall Limited at its registered office. A fee will be payable for such access.

By supplying us with information you confirm that you do not consider use of your information in accordance with this Privacy Statement to be a breach of any of your rights under the Telecommunications (Data Protection and Privacy) Regulations 1999. By entering information on forms or providing us with any personal information you are consenting to us processing that data for our own business use and holding it on our server.

You should also be aware that if the police request us or any regulatory or governmental authority investigating suspected unlawful activities to provide your personal details and/or information concerning your activities whilst visiting this site, we shall do so.

How we keep your information secure.

Safecall Limited takes the security of your personal data seriously. We use the highest level on security standards currently available

Updating of our Privacy Policy

This policy can change to meet the requirements of our business or of changes in the Data Protection Laws. Changes will be updated on our web site www.safecall.co.uk
